

How to Wash a Cat

- 1. Put both lids of the toilet up and add 1/8 cup of pet shampoo to the water in the bowl...**
- 2. Pick up the cat and soothe him while you carry him towards the bathroom.**
- 3. In one smooth movement put the cat in the toilet and close the lid. You may need to stand on the lid.**
- 4. At this point the cat will self agitate and make ample suds. Never mind the noises that come from the toilet, the cat is actually enjoying this!**
- 5. Flush the toilet three or four times. This will provide a 'Power-Wash' and 'Rinse'.**
- 6. Have someone open the front door of your home. Be sure that there are no people between the bathroom and the front door.**
- 7. Stand well back, behind the toilet as far as you can, and quickly lift the lid.**
- 8. The cat will rocket out of the toilet, streak through the bathroom, and run outside where he will dry himself off.**
- 9. Both the toilet and the cat will be sparkling clean.**

Yours Sincerely,

The Dog
